

Aspen II

With more SILVER make-up on the brand new side-panels and new front-grill, Aspen II is a modern design of the old ASPEN.

SEVEL
SHOWCASE

We can apply your Logo or favorite design on the back-lit INOX front panel of your ASPEN II.
It is also possible to use LED lighting on the front panel.

ASPEN II Showcases can be used to display gelato, ice-cream, pastry, bakery, charcuterie, chocolate
 Pastry cases can be produced with or without pull-out drawers
 You can choose night blind or plexi glass door as the backcover of your ASPEN II
 In order to prevent condensation, single pane heated front glass is used on all ASPEN II models
